STATE COST SHARE PROGRAM

MASWCD

MASWCD Leadership Institute for Problem Solving - is to strengthen the leadership capability of SWCD supervisors and staff while addressing current issues that lead to more effective conservation delivery throughout the state.

The 'problem'/issue being addressed is Technology; specifically on infrastructure, district operations, and landowner services. Cohort participants will develop policy and frameworks to support technology strategies that meet the SWCD needs and are independent, but complimentary, of the USDA and BWSR systems. Registration materials will be sent to the SWCD offices in the near future.
