See Appendix A entitled "Policy against Offensive Conduct, Harassment, and Violence."

ARTICLE 3 - EMPLOYER RIGHTS

Section 1: Managerial Rights

It is recognized that except as specifically modified by this Agreement, the Employer retains all managerial rights, including inherent rights and authority, necessary to operate and direct the affairs of the County and its divisions in all its various aspects. These rights include, but are not limited to: determine County policies, functions and programs; determine and establish budgets; utilization of technology; select, assign, direct, evaluate and promote employees; to plan, direct,

Changes to any County policy shall be communicated to all bargaining unit employees, and the most current policy shall be made readily available. If the policy is changed, the changed policy will be made available within fourteen days. If this provision has not been followed, then bargaining unit members will not be disciplined for failing to follow or enforce the most recent copy of the policy.

ARTICLE 4 - ASSOCIATION RIGHTS

Section 1 – Association/Employer Meetings

It is agreed that representatives of the Association and of the Employer shall meet quarterly, upon request by either party, for the purpose of reviewing and discussing their common interests. By mutual agreement, other meetings may be held as the need arises at mutually agreed upon times.

The Employer agrees that during working hours, while on the County's premises and without loss of pay the Stewards shall be entitled to spend a reasonable amount of their work time in the investigation of and presentation to the Employer grievances; provided however, this activity does not unreasonably interfere with the Employees' performance of their normal work duties.

Further, the Employer agrees that during work hours, while on the County's premises that up to two (2) Stewards shall be compensated, at straight-time, for the actual time spent in negotiations. The time spent in negotiations shall not be used to create overtime or compensatory-time situations in calculating the total hours worked for any non-exempt Employee during any work week.

However, reasonable time off to perform these functions shall not include travel time. The Association Steward shall first inform his/her supervisor of the Steward's impending departure

from his/her work site and shall first receive approval to leave the work location. Such approval shall not be unreasonably denied.

Section 5 – County E-Mail System

In the interest of maintaining an effective labor-management relationship and the efficient use of County time and resources, County e-mail accounts may be used by Association representatives for certain union activities, in accordance with County policy, state law and/or the provisions of applicable collective bargaining agreements.

The Employer shall deduct the regular bi-weekly Association dues for those Employees who are members of the Association and who request in writing to have their regular bi-weekly Association dues deducted from payroll. Authorizations for such deductions shall remain in effect until canceled by the association in writing. The Employer agrees to forward these dues to the Association at the following address:

Section 2 – Fair Share Deduction

Upon request, an Employee shall be provided with a copy of his/her position description that describes the duties and responsibilities of the position. Position descriptions shall not be grievable/arbitrable under any provision of this Agreement. Position descriptions will be reviewed and updated by the Employer within three (3) months of the completion of the Employee's annual review.

Employees shall not be required to perform work other than that which is described in the job description. The Employer shall have the right to revise and/or modify any job description at any time it deems appropriate provided such changes are not arbitrary, accurately reflect the qualifications for and duties of the position, and meets the needs of the County. These changes will be discussed with the Association through Meet and Confer prior to implementation.

Section 2 – Performance Appraisals

The Employer shall provide at least one (1) annual performance appraisal of the Employee's work performance. The evaluation shall be conducted by the Employee's immediate supervisor. Bargaining unit members that are department heads shall be reviewed by the County Board, utilizing a closed session as set forth Minn. Stat. 13D.05 Subdivision 3.

The performance evaluation shall provide clear examples justifying the rating given. Work plans, coaching sessions and letters of expectation are not substitutions for annual performance appraisals. Each performance appraisal shall indicate the Employee's overall level of performance. All performance appraisals shall be signed by the Employee's supervisor.

The following positions are department heads and come under the direct supervision of the County Board:

County Assessor, County Highway Engineer; County Surveyor; Environmental Services Director; Public Health and Human Services Director, and the Veteran Services Officer.

All other supervisors not listed above come under the direct supervision of their respective Department Heads for their assigned departments.

Nothing in this article is intended to abrogate or otherwise impair the Employer's rights set forth in Article 3 of this Agreement, including the right to reorganize County Government and the departments within it. Employees shall be given the opportunity to sign the performance appraisal but such signing does not indicate acceptance or rejection of the appraisal. The Employee shall receive a copy of the appraisal at the time he/she signs it. The Employee shall have fifteen (15) calendar days from the date of the receipt of the finalized appraisal to file a written response in the

Employee's personnel file. The substantive judgment of the supervisor regarding the Employee's performance is not grievable/arbitrable under Article 14. The employee, within 15 days of receipt of the final signed copy of a performance appraisal may appeal the performance review in writing to the County Personnel Committee describing any differences of opinion as to their performance.

The Personnel Committee shall hear the appeal at a scheduled meeting subject to the availability of the Employer and the Association Steward.

Employee's written rebuttal and/or appeal shall be affixed to the Employer's file copy and maintained in the Employee's personnel file.

ARTICLE 7 - SENIORITY AND PROBATIONARY PERIOD

Section 1 – Seniority

Seniority shall be based upon the Employee's latest date of hire in a specific department and only considered where it is practical to do so and will not adversely affect departmental operations. There are no County wide seniority rosters or rights. Departmental seniority shall be the length of continuous service in the department.

When there is a job opening within this bargaining unit, the Human Resources Office shall generate an all-County employee email of the notice of vacancy prior to, or simultaneously with any public posting of a vacancy.

Section 2 – Probationary Period and Non-Certification

All positions covered by this Agreement shall be subject to a probationary trial work period of twelve (12) months, based on a 2080 hour year. During such probationary period the Employer may terminate the employment with or without cause.

The probationary period shall exclude any time served in an emergency, seasonal, or temporary capacity. Notwithstanding, the maximum time an employee may serve in an interim capacity and a subsequent probationary appointment for the same position shall not exceed eighteen (18) months. Wherever practicable, an Employee serving a probationary period shall receive at least one (1) performance counseling review of his/her work performance at the approximate midpoint of the probationary period. Non-certification decisions are not subject to grievance/arbitration set forth in Article 14. Non-certification is defined as failing to gain non-probationary status.

ARTICLE 8 - WORKING SCHEDULES

Section 1 – General Provisions

Employees are expected to perform their duties in a manner that is consistent with standards of their respective positions and professions. They are responsible for the operations and management of the department and/or program and staff they oversee as set forth in applicable federal and State of Minnesota statutes and rules, the various County and departmental policies and their position descriptions. Employees are required to document the hours they work.

Section 2 – Non-Exempt Employees

Scheduled work hours are established by the Employee's supervisor of record. Non-exempt Employees do not have the option of purposely missing rest periods in order to aggregate break

time so as to extend an unpaid lunch period or to leave early at the end of the day or arrive late at the start of the day. Notwithstanding the foregoing, with supervisor approval non-exempt Employees may on occasion flex their schedule.

Employees shall be provided a fifteen (15) minute rest break during each four (4) hour work shift. These breaks shall not exceed fifteen (15) minutes, including the time required to get to and from a break area. If the level of work activity necessitates an employee missing a break on occasion, the employee is not owed time off nor may the Employee carry over rest breaks from day to day.

ARTICLE 9 - LEAVES OF ABSENCE

Section 1 – General Conditions

Except as otherwise provided in this Agreement, whenever practicable request for leave shall be made by Employees at least one week prior to the beginning of the period of the absence. No leave of absence request shall be unreasonably denied. Reasons for a denial shall be given to the Employee upon request to so by the Employer.

An Employee on an approved leave of absence is required to contact the Employer if an extension of leave is requested. Employee's failure to contact the Employer requesting an extension prior to the end of the approved leave period shall be deemed to be a voluntary resignation and the Employee shall be severed from County service.

Accrual of vacation and sick leave benefits shall continue during a leave of absence with pay. If an Employee is granted leave without pay, the Employee will not be credited with vacation or sick leave accruals for the period of leave without pay unless otherwise required by Minnesota State or federal law.

Section 2 – Family and Medical Leave Act

Some leaves provided for in this Agreement may qualify for federal Family and Medical Leave Act (FMLA) status. Sections 6381 through 6387 of title 5, United States Code, as added by Title II of the Family and Medical Leave Act 1993 (FMLA) (Public Law 103-3, February 5, 1993), provides covered Federal employees with entitlement to 12 workweeks of unpaid leave during any 12-month period for the following purposes:

- The birth of a son or daughter of the employee and the care of such son or daughter;
- The placement of a son or daughter with the employee for adoption or foster care;
- The care of spouse, son, daughter, or parent of the employee who has a serious health condition; or
- Serious health condition of the employee that makes the employee unable to perform the essential functions of his or her positions.

Under certain conditions, FMLA leave may be taken intermittently, or the employee may work under a work schedule that is reduced by the number of hours of leave taken as family and medical leave. An employee may elect to substitute vacation leave and/or sick leave, consistent with current laws and regulations, for any unpaid leave under the FMLA. FMLA leave is in addition

to other paid time off available to an employee.

Parental leave, pursuant to the Minnesota State Parental Leave Act, tolls concurrently with FMLA leave if the Employee has remaining FMLA leave time until FMLA leave is exhausted.

Section 3 – Unpaid Medical Leave

Upon the recommendation of a licensed physician, an Employee who has exhausted all sick leave benefits shall be granted an unpaid leave of absence not to exceed six (6) months. Employees shall be required to exhaust his/her accumulated vacation leave prior to being granted an extended leave of absence. An Employee shall be required to furnish evidence of medical necessity for the leave to the Employer. If the Employer has evidence that an Employee's absence from work is unnecessary, or if the Employee fails to undergo an evaluation or furnish such reports as required by the Employer, the Employer has the right to require the Employee to return to work on a specified date.

Section 4 – Voluntary Furlough

Upon written request of the Employee to the Department Head, Employee shall be granted up to forty (40) hours of leave without pay per calendar year with no loss of benefits. Such request shall be granted but will be scheduled by mutual agreement of the Employee and the Department Head in blocks of one (1) hour or more.

Section 5 – Military Leave

In accordance with Minn. Stat. 192.261, Subd. 1, and federal law, leave shall be granted to an

Employee who voluntarily or involuntarily enters into active military service, active duty for training, initial active duty for training, inactive duty training, or full-time National Guard duty in the armed forces of the United States for the period of military service, not to exceed five (5) years, plus such additional time as the employee may be required to serve pursuant to law. Leave time for service in the military shall be considered as paid leave for purposes of vacation leave and sick leave accrual. Employees requesting such leave shall notify their immediate supervisor as soon as possible of the need for such leave. Such notice must occur within three (3) calendar days of the employee's knowledge of the need for such leave. At an Employee's request, an employee on unpaid military leave shall be allowed to supplement such leave with vacation leave in accordance with law. Any vacation leave used must have been accumulated prior to the start of the military leave.

Section 6 – Jury Duty

When an Employee performs jury duty, is subpoenaed as a witness in court, or voluntarily serves as a witness in a case, the Employee is entitled to compensation from the County equal to the difference between their normal rate of pay and the amount received as a juror or witness. While on such leave, an Employee will continue to accrue the benefits to which they are regularly entitled. When not impaneled for actual service and only on call, the Employee shall report to work. Whenever practicable, the Employee shall notify the Employer at least fourteen (14) days prior to the Employee's scheduled jury duty.

An Employee who is subpoenaed as a witness, or otherwise is called to testify in Court, in the scope of employment shall be compensated his/her regular wage or salary.

Section 7 – Bereavement Leave

Full-time Employees may request, and the Employer will grant, the use of up to a maximum of three (3) scheduled work days, with pay, for bereavement in the event of the loss of a member of the Employee's immediate family. Immediate family shall be defined as the Employee's spouse, children, mother, step-mother, father, step-father, grandparents, step-grandparents, brother, sister, brother-in-law, sister-in-law, son-in-law, daughter-in-law, aunt, uncle, niece, nephew, grandchildren, step children, step grandchildren and the mother, father, aunt, uncle, brother, sister, or grandparents of the Employee's spouse. A reasonable amount of sick leave may be used to augment bereavement leave as needed.

Part-time Employees shall earn pro-rata bereavement leave benefits based on their full-time equivalency (FTE).

Employees shall not accrue/earn compensatory-time or over-time hours during any week they use Bereavement Leave except pursuant to Article 18, board declared emergencies.

Section 8 – Education Leave

Leave shall be granted for educational purposes if such education is required by the Employer.

Section 9 – Reinstatement after Leave

An Employee returning from an approved leave of absence shall be entitled to return to employment in his/her former position. Notwithstanding, if a layoff occurs during the period that the Employee is on an approved leave of absence, the Employee is subject to the layoff. Employees returning from extended leaves of absence of one (1) month or more shall notify the Employer at least two (2) weeks prior to their return from leave of their intent to return. An Employee returning from an unpaid leave of absence shall be returned at the same rate of pay the Employee had been receiving at the time the leave of absence commenced plus any automatic adjustments that would have been made had the Employee been continuously employed during the period of absence. At the discretion of the Employer, an Employee may terminate his/her leave of absence prior to the previously agreed upon date of expiration of that leave of absence.

Changes in accrual rates shall be made effective at the beginning of the next payroll period following the completion of the specified length of service requirement.

Employees, who began employment at a vacation rate higher than the vacation accrual rate listed under the 0-1 year service rate, shall advance vacation accrual rates based on years of service at each rate.

Exempt employees shall take all vacation time in minimum increments of two (2) hours. Exempt employees may flex their work hours during a pay period. Additionally, when circumstances exist that make it impossible to flex their hours during the same pay period, exempt Employees may flex their time during the next immediate pay period.

Employees on Vacation Leave status shall be charged only for the number of hours that they would have been scheduled to work during the period of absence. Holidays that occur during vacation periods will be paid as a holiday and not charged as a vacation day. Employee vacation accruals earned while on paid leave may be utilized by the Employee with the approval of the supervisor without first returning to work.

- Non-exempt employees may accrue compensatory-time or over-time pay with the

Department Head's prior approval.

Section 5 – Vacation Approval

Every reasonable effort shall be made by the Employer to grant Employees Vacation Leave at a time that is agreeable to the Employee. Vacation Leave shall be subject to the service obligations of the Employee's department and shall not be arbitrarily withheld. Vacation shall only be denied for reasons of meeting the staffing needs of the Employer with the exception of vacation usage pursuant to Section 4 of this Article. Whenever practicable, all non-department head leave requests must be in writing and submitted to the Employee's supervisor for his/her consideration. Supervisors shall respond to all vacation requests in writing within a reasonable time frame. Notwithstanding, the non-department head employees shall secure the approval of their supervisor by telephone or other means at the earliest opportunity to do so.

APPENDIX D

CELLULAR AND OTHER MOBILE COMPUTING DEVICES

9.31.0 INTRODUCTION

9.31.0-1 Purpose

Electronic communication is an important part of contemporary business practices. The purpose of this procedure is to clarify employee stipend eligibility as well as County Board and Department Head responsibilities associated with provision of taxable stipends for the use of personally owned cellular devices and mobile computing devices.

9.31.0-2 Definitions

Cellular Phone means a telecommunication device with voice capability and does not have internet browsing capabilities.

Mobile Computing Devices (smart devices) are portable computing and telecommunications devices that can execute programs. This definition includes, but is not limited to, notebooks, Smart Phones, Palm Pilots, personal digital assistants, iPods, BlackBerry devices, and cell phones with internet browsing capability. Use of a mobile computing device may or may not require a wireless communication service plan or incur connection charges.

9.31.1 ELIGIBILITY FOR STIPEND

9.31.1-1 Financial Accountability

Employees may be paid a stipend if the Board determines that it is financially advantageous for the County to pay individual employees a stipend rather than to provide a County owned cellular device.

The Stipend rates are:

- Thirty dollars per month (\$30) for cellular phones ; and
- Fifty dollars per month (\$50) mobile computing devices.

The Department Head shall evaluate the expenses and the participation criteria set forth in this policy and submit his/her evaluation to the Board consideration during the annual budget process.

9.31.1-2 Eligibility for Cellular Phone or Mobile Computing Device Stipend

The County may provide a stipend for use of a personally owned cellular phone or a mobile computing device, to an employee if it is determined by the Board of Commissioners to be a necessary business expense. The County Board shall determine whether the use of a cellular phone or a Mobile computing device is appropriate to meet the communication needs of specific positions based on the actual need for immediate voice and email access and response and not employee convenience, preference or title pursuant to the following criteria:

- Use of the device is integral to the performance of the employee's job duties; and
- The employee performs a substantial portion of his/her work away from his/her assigned office area and needs to be contacted on a regular basis by the Department Head or other employees for assigned duties; and

- The employee is not on unpaid leave. The stipend payment shall be pro-rated for all periods of unpaid leave; or
- It is a job requirement that the employer be able to regularly reach the employee outside of the employee's normal work hours for work requiring immediate attention.

***Notice:** Houston County is not required to provide employees a stipend. A determination as to whether an employee meets the eligibility criteria for a mobile computing device stipend versus a cellular phone stipend shall not be based on title or position but rather on the business necessity of the County.*

9.31.1-3 Authorization. To be approved for a stipend under this policy, the following procedures are applicable:

- The department head of the requesting employee must determine if the employee meets the threshold eligibility requirements in 9.31.1-2 above and makes a formal recommendation to the Houston County Board of Commissioners; and
- The stipend is approved by the Houston County Board of Commissioners during a regular or special session of the board; and
- Documentation or other statement in support of the decision to issue the device and plan must be retained by the appropriate Department Head consistent with records retention standards and be available for review and audit.

9.31.1-4 Annual review

The Department Head shall evaluate the expenses and the participation criteria set forth in this policy and submit his/her evaluation and recommendation to the Board for consideration during the annual budget process.

***Notice:** The Department Head may require proof of usage for County Business in order to determine both initial stipend and/or continuation of stipend eligibility.*

9.31.2 REIMBURSEMENT FOR INCREMENTAL EXPENSES

Occasional business call expenses made from an employee's personal cellular device are eligible for reimbursement with Department Head approval if:

- The employee does not receive a regular stipend; and
- The employee has not been issued a County owned cellular device; and
- The employee has incremental costs that were necessary, unavoidable and directly attributable to the business calls.

9.31.3 SHARED CELLULAR DEVICES

The Department Head may determine a County owned cellular device is necessary for the efficient operation of a department and the cellular device will be used by more than one individual.

- A department cellular device shall be used *solely* for County business purposes.
- The equipment must be designated as property of the County and must be returned to the department daily or as required by the Department Head.
- Purchase of department cellular devices must be approved by the Board of Commissioners.

- The Department Head shall be the responsible party for each department cellular device and compliance with this procedure.

9.31.4 EMPLOYEE RESPONSIBILITIES

An employee who receives a stipend pursuant to this procedure is responsible for:

- Ensuring that the device is available for service during applicable business hours and other hours as needed;
- Immediately returning any shared device pursuant to department policy, upon request by the employee's supervisor or upon the end of employment;
- Compliance with the Minnesota Government Data Practices Act and Health Insurance Portability and Accountability Act; and
- Compliance with the provisions in this and all other County policies when using his/her phone for County purposes.

***Notice:** Failure to follow relevant laws and internal policies may be grounds for discipline up to and including termination.*

9.31.5 POLICY TRANSITION

The county will transition to this policy over a period of time to allow for the expiration of contracts currently in place with cell phone service providers. Existing service contracts with cell phone service providers will be allowed to expire at the date set in the individual contract. Department Heads are to arrange the transition to a taxable stipend.
